

## MAJOR HIGHWAYS AND AIRPORTS

Canada has more than 300 airports and over 850,000 miles (1.4 million kilometers) of road. The Trans-Canada Highway is the world's longest highway. It connects all 10 Canadian provinces.

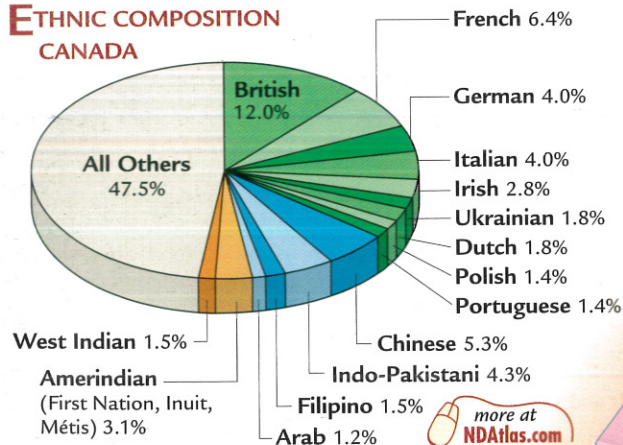

Located on the St. Lawrence River, Quebec is the oldest city in Canada. Quebec is a World Heritage City that hosts over 9 million visitors a year.

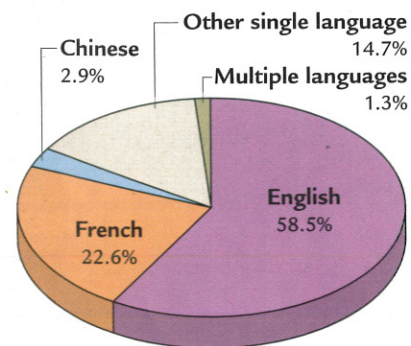

## ETHNIC COMPOSITION CANADA

## LANGUAGES OF CANADA

Canada has two official languages: English and French. However, recent immigrants also diversify the country's mix of languages. Compare this graph with the ethnic composition graph above.
